Low Voltage Supplement

MOONRAYS®
SINCE 1986

95561 – LED Tier Light, Plastic, 6 Lumens, Black (8pk Kit with Control Box and Wire)

Why Switch to the LED Low Voltage Tier Light Kit?

Save Energy and Money

- LED bulbs help the savings add up quickly thru reduced energy costs and no bulbs to replace ever. * Compared to traditional incandescent low voltage fixture

- The low cost of this plastic LED 8-pack kit makes this a perfect replacement for Moonrays 95534 incandescent tier light kit.

Easy-to-Install

- Consumer friendly comes pre-wired for quick installation.
- No difficult programming – always on.
- Photocell not included – Perfect for use with Woods Outdoor timers #2001 Dusk-to-Dawn or #50011 Programmable.
